# Home waters of Finn Class legends...

The Royal Danish Yacht Club (KDY) will offer Finn Master sailors from all over the world to sail in the home waters of **Paul Elvström, Henning Wind, Lasse Hjortnäs, Stig Westergaard** and **Jonas Høgh-Christensen**.

When it comes to Finn sailing, Denmark has a great history and tradition. 4 Olympic medals won, 10 Finn Gold Cup victories, a strong national team squad and a very active fleet of master sailors.

# Skovshoved Harbor

The proposed venue is **Skovshoved Harbor**, which has just been expanded and modernized with perfect facilities to host large events. The harbor can provide great services for Finn Master sailors such as:

- 4 larger launching ramps
  - Huge areas on shore for dinghy park
  - Car parking
  - Clubhouses, changing rooms etc.
  - Restaurants & healthy take-away options
-

# Sailing Area

The sailing area outside Skovshoved Harbor is Øresund – the waters between Denmark and Sweden.

During summer wind speed average is 8,5 knots. Direction is mainly west but for inshore races on really warm days sea breeze can build around noon. Normally there are currents of a speed of maximum of 1,0 knots. Mostly flat waters outside Skovshoved, depending on the wind direction.

Temperatures in start June are around 15-20 C and on average we can expect rain of max. 60 mm.

It will take about 10-15 min. to sail to the race course outside Skovshoved Harbor.

# Accommodation

**Hotels:** The harbor is surrounded by a large amount of accommodation possibilities; for example the small, hip hotel "Skovshoved Hotel" and other good hotels in a 10 min. driving distance.

**Camping:** A large area on Skovshoved Harbor with camping possibilities, and 1 km away a luxurious camping spot on a fortress adjacent to the sea with good beaches.

**Airbnb:** Houses and apartments close to the harbor are possible to rent out on sites like Airbnb.

## Social events

KDY has a lot of positive experience with hosting international events on Skovshoved Harbor – lately in 2016 the ORC Worlds with 1200 sailors and the a Classic Meter Cup with 50 classic yachts and 500 sailors.

For catering arrangements, social events and parties Skovshoved Harbor can offer:

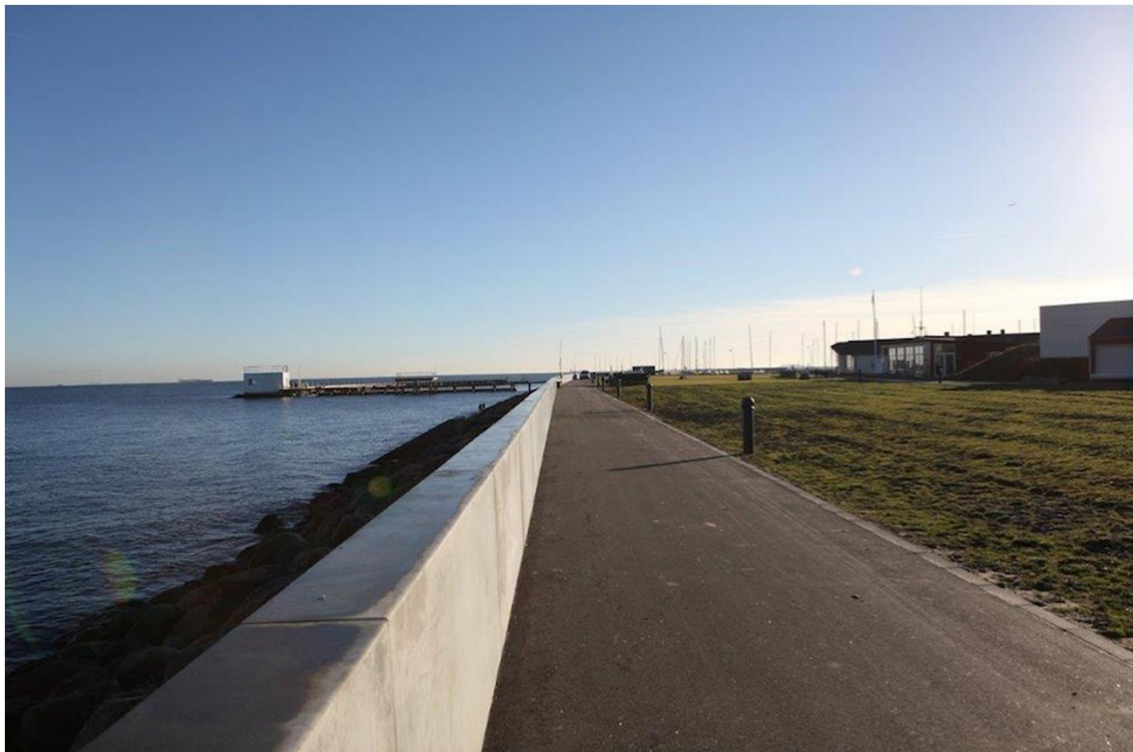

- Large grass fields for setup of tents as well as
- A boat-yard hall that can host 600 sailors
- Club houses & indoor facilities

# WONDERFUL<sup>®</sup> COPENHAGEN

Skovshoved is situated only **10 km** from the city center in Copenhagen – a city full of history, great restaurants, and Scandinavian design and architecture.

## 15 Michelin restaurants!

Copenhagen is the gastronomic center of North Europe. In 2017 15 restaurants in Copenhagen have Michelin stars.

# Lonely Planet on Copenhagen

*"Copenhagen is not only the coolest kid on the Nordic block, but also gets constantly ranked as the happiest city in the world."*

*"The city's good looks are also intrinsically linked to the famed Danish flair for design..."*

*"... it is this laidback contentment that helps give the Danish capital the X factor."*

*"... hygge which generally means coziness, but encompasses far more..."*

*"...it is possibly Europe's most seamless experience."*

# “Hygge” in Copenhagen

Copenhagen can offer great places to arrange social happenings during the Finn Master Worlds. Also, Skovshoved is very close to the oldest amusement park in the world Bakken, where we have hosted many events for sailors during our regattas. Example of “hits” in Copenhagen:

Nyhavn

Tivoli

Canal Tour dinner

[illegible]

Copenhagen can provide great shopping, lunching and sightseeing. Also the area north of Skovshoved has beautiful castles, the art museum Louisiana and the Viking museum in Roskilde.

We all know: **Happy wife, happy life!**

# Please vote for us

The Finn World Masters has never been sailed in Danish waters, which is why it would be an honor for us at the Royal Danish Yacht Club to host this event in 2019!

*We hope to see  
you in 2019!*
